

2019 CHOIR REPORT
HIGHLAND HILLS UNITED CHURCH

Once again this was a busy year for the choir as we met the many challenges faced as part of a congregation coming together to form a church family. But, it was more than the people that came together and a huge thank you goes out to Elly and Lois and Melissa for the countless hours they have spent sorting and filing. They were grateful for the help they received from volunteers who assisted with moving music and filing cabinets.

We were shocked and saddened by the sudden passing of Nerina Clark and Dave Wilson. We participated in their Celebrations of Life and mourned with Marybeth and Ron.

On Good Friday we joined with the Haliburton United Church choir as we offered a very meaningful cantata – The Choice. The narration was ably given by others from the two congregations – with Eric Casper and Rev. Max and Rev. Harry Morgan having prominent roles. Many hours were spent in rehearsals. For Christmas the choir was pleased to be joined by Rev. Marybeth Wilson as Narrator in the Cantata – Glorious Christmas.

We welcomed Sheelagh McClelland to the soprano section and invite new members to become part of our choir family. For the winter months we have changed rehearsal time to 4:30 on Thursday afternoons.
