

**Highland Hills United Church Fundraising Report**  
2019

Fundraising for the year focused on raising funds for the Church, making the community aware of events and contributions to the community. Due to the amalgamation there was a substantial amount of time devoted to other activities and events. This resulted in less time available to plan events and members of the congregation available to assist with fundraising. We continued to modify some events with a positive response.

**Main Events**

St. Patrick's Day Dinner  
Fish Fry with Mason's  
Harvest Dinner/Silent Auction  
Sunday Brunches  
An Old Fashion Christmas

I want to thank everyone who helped with the various events. I look forward to working with Donna Darby this coming year and thank her for her assistance this past year. She has good ideas, talent and energy.

Tom Parish,
