

PASTORAL CARE REPORT 2019

The Pastoral Care Committee for Highland Hills United Church grew in 2019 to 14 members. Each of these fine people has a number of church members and adherents with whom they do their best to maintain contact.

It is our responsibility to keep our church community informed of life events of people in the congregation as well as simply staying in touch.

One of the blessings of being part of a church community is the support offered to one another, particularly during times of need.

Members of our committee also generously look after serving refreshments at the coffee hour after worship one Sunday a month. This time of fellowship is another good way to stay in touch with the people in our church family.

If you are in need of support of any kind, whether simply a friendly conversation or something more practical, such as a ride to church, please be in touch with the church office or either of the co-chairs of this committee. We will be glad to offer assistance.

Respectfully submitted,
