

**HIGHLAND HILLS PASTORAL CHARGE
TURKEY PIE FUND RAISING OPERATION ANNUAL REPORT
FOR THE PERIOD JANUARY 1 TO NOVEMBER 12, 2019**

This has been another successful year with \$3,530 being added to the Charge's income.

The Head Chef, Walter Braker, decided for his personal reasons, to stop making the pies and attempted to train his replacement. After several attempts, it was decided to end the preparation of the pies when he could not find anyone in the Charge who was prepared to carry on the project.

On November 12, 2019 the bank account for the operation was closed. The attached statement of income shows a net profit of \$2,505.33 a 4% decrease from last year which is understandable taking into consideration the disruptions that the operation experienced during the period.

Attached to this report are the unaudited financial statements for the period ending November 12, 2019.

Respectfully submitted,
