

**HIGHLAND HILLS PASTORAL CHARGE
SPECIAL REPORT RE THE TURKEY PIE OPERATION
SUBMITTED BY BARBARA BRAKER**

The Turkey Pie Project proved to be a most successful event thanks to many hands at work over the last eleven years.

We would like to begin by expressing our heartfelt thanks to our valued accountant, Ron Clark, who diligently kept track of our finances over the years.

We would also like to thank our great teams of packers who were always most willing to come and help.

Most of all, we are most thankful for a great bunch of customers who purchased turkey pies over the years.

They say, everything comes to an end so we have turned the project over to Abbey Gardens and wish them the same wonderful success that we experienced.

For Walter and I it was a true labour of love.
