

HOUSEKEEPING REPORT - MAPLE LAKE UNITED CHURCH 2019

The custodial demands at the Maple Lake Church during the year of 2019 didn't change from previous times. With the assistance of others such as Judy Carpenter and Pat Marshall these ongoing duties required of the main Sanctuary or the lower kitchen and dining area, such as dusting, mopping, vacuuming and doing light laundry items didn't take as long and therefore seem like such a chore. Of course there are always those products that require the occasional restocking such as hand and floor soap or the necessary items for the two bathrooms.

Thank you.

Betty Berry,

Housekeeping Department

Maple Lake United Church
